Clarins Instant Smooth Perfecting Touch

Instant Smooth casts its make-up magic and lines, wrinkles and other small imperfections literally 'disappear'. What is it? A little pot of silky-smooth, oil-free 'stroke it on where you need it' skin perfecter, which fills and smoothes as it glides invisibly over the skin. In fact it's a bit like applying a perfect and much younger-looking second-skin!

Key Ingredients-

Line-filling and skin-smoothing Acacia Micro-Pearls

Silicone Gums give Instant Smooth the amazing gliding texture which makes it so easy to apply and so comfortable on the skin. Plant Triglycerides nourish and Vitamin E protects.

COOL EYES - Eye-Bag And Dark Circles Intensive Treatment

This innovative cream for the delicate eye contour contains a combination of three ingredients which target the main causes leading to dark circles and eye bags. DIPEPTIDE stimulates drainage of excess liquids, TETRAPEPTIDE boosts firmness and elasticity, and HESPERIDIN enhances capillary strength and promotes resorption of fluids. After a few uses the eye area appears smoother, toned and with a visible reduction of puffiness and dark circles.

The slight cooling sensation during application and the draining massage of the sphere help achieve immediate comfort and reduce puffiness.

All Bakel products are dermatologically tested, certified cruelty free, and Halal.
